

MC 1000

BIODEGRADABLE CITRUS SOLVENT

DESCRIPTION:

MC 1000 consists of a natural 100% citrus solvent concentrate that is safe, biodegradable and effective in the removal of paint, ink, grease, carbon build-up, tar and many other difficult to remove items. MC 1000 is a safe alternative to strong alkalis for the cleaning of flash off areas and other surfaces that require hand wiping. This product may be rinsed with water or may be allowed to naturally evaporate.

GENERAL USE

INSTRUCTIONS:

MC 1000 may be applied as received to areas coated with paint, ink, grease, carbon or tar. MC 1000 may be removed by mopping or wiping. MC 1000 will not harm surfaces used as received if the surfaces are wiped clean. MC 1000 may also be diluted at rates from 1:1 with water for oily greasy marks to 1:10 for general cleaning using a floor scrubber. If MC 1000 is diluted, it should be thoroughly rinsed off following the cleaning procedure to protect the surface.

ADVANTAGES:

- Neutral biodegradable product
- Non regulated
- Eliminates foul odors from bacteria
- Safe for use on all substrates

Typical Product Characteristics

AppearanceClear, Orange Liquid
Solubility.....Emulsifiable in Water
Packaging55 Gallon Drum
440 Gallon Totes
VOC Content5.02 lbs./gal
