

# No Rinse Floor Cleaner (NRFC)

## NON-CAUSTIC FLOOR CLEANER

### DESCRIPTION:

No Rinse Floor Cleaner (NRFC) is a Non-Caustic Floor Cleaner. This product has been field proven to remove most difficult soils encountered in industry. NRFC saves time and reduces maintenance costs with its single application cleaning power. This unique formula contains no caustic and will not burn if it comes in contact with the skin. A non-foaming version is best suited for application where the product will be used in a floor scrubber. This product does NOT require a fresh water rinse.

### GENERAL INSTRUCTIONS:

NRFC is completely safe on concrete, asphalt, rubber or vinyl tile, linoleum, cork, terrazzo, and wood floors. For most applications, dilute NRFC 1:10 with water and spread evenly over the floor. Allow to stand 10-15 minutes and then pick-up with Wet Vac or floor mop. For extremely heavy oil spills, product may be used at 100% concentration. If used in a walk behind floor scrubber, dilutions may

vary from 10:1 to 20:1. Hot water is recommended when diluting product.

### ADVANTAGES:

- Will not burn skin
- Fast dissolving action of difficult to remove soils
- Does NOT require rinsing
- Safe for walk behind floor scrubbers

### Typical Product Characteristics

Appearance .....	Clear Pink Liquid
pH .....	11.0
Odor .....	Pine Odor
Sp. Gravity .....	1.03
Packaging .....	55 Gallon Drum 5 Gallon Pail

### SAFETY AND HANDLING:

Improper handling of this product can be injurious to workers. Observe all safety precautions shown on the label and Material Safety Data Sheets. Wear proper protective equipment listed on the MSDS. Follow the instructions of your KML Representative in the proper use of this product.
