

Oven Cleaner OC 411

OVEN CLEANER

DESCRIPTION:

Oven Cleaner OC 411 is a safe, user friendly, non-chlorinated water based cleaner. This technology offers maximum strength to dissolve and remove the heaviest vapor grime associated with volatile paint and oil components. OC 411 quickly breaks down oven grime to return oven surfaces to a clean condition. OC 411 goes to work immediately on contact without scrubbing.

GENERAL USE

INSTRUCTIONS:

OC 411 is applied using an airless sprayer, which eliminates the handling of mops or mitts. OC 411 may be sprayed as received for tough applications. It may also be diluted with water to provide uniform coverage in less severe applications. OC 411 may be easily removed by rinsing with water. Areas of heavy build-up may require a second application.

ADVANTAGES:

- User friendly
- Maximum strength dissolves and removes heaviest vapor grime
- Eliminates the handling of mops or mitts
- Works immediately on contact

Typical Product Characteristics

AppearanceClear, Purple Liquid
OdorGlycol Ether
Packaging55 Gallon Drums
