

Wipe Cleaner TOK 117

**WIPE CLEANER FOR CAR, TRUCK
& BUS**

DESCRIPTION:

TOK 117 is a specially designed cleaner for the removal of dirt, oil, grease, and shop soils on surfaces prior to painting. TOK 117 is a blend of water miscible solvents in a water base. Highlights are reduced VOC's rapids evaporation and residue free performance. Comprised totally of non-hazardous solvents with pleasant scent.

GENERAL APPLICATIONS:

Spray or wipe on surface to be cleaned. Immediately wipe surfaces wetted by the cleaner with a lint free cloth. Turn cloth periodically when soiled. No drying or rinsing required.

PACKAGING & STORAGE:

TOK 117 is available in non-returnable, DOT approved 55, 30, and 15-gallon plastic drums and 5-gallon pail.

TOK 117 should be stored at room temperature and away from heat, sparks and open flame.

ADVANTAGES:

- Rapid penetration
- Quickly dissolves grease, oil, dirt and shop soils
- Harmless to all surfaces
- Reduced VOC's
- Fast evaporation
- Residue free

Typical Product Characteristics

Appearance	Clear colorless liquid
Odor	Sweet - alcoholic
Specific Gravity	0.906
pH of product (Typical)	7.4
Flash Point	63°F
V.O.C.	0.88

SAFETY & HANDLING:

Observe all safety precautions shown on the label and in the Material Safety Data Sheet. Wear proper protective equipment listed on the MSDS. Follow the instructions of your KML Representative in the proper use of this product.
